FULL-STACK SOFTWARE ENGINEER

As a Full-Stack Software Engineer with a BEng (Hons) in Software Engineering from the University of Westminster, I possess a strong foundation in modern web and mobile technologies. I have successfully led teams to deliver end-to-end solutions and develop scalable applications. My expertise encompasses front-end and back-end development, as well as database management. Committed to continuous learning, I embrace emerging technologies and excel in delivering impactful software solutions that drive team success and project excellence.

WORK EXPERIENCE

Associate Software Engineer , Sanmark Solution PVT LTD   **2023 August - Present**

- Led a team of developers to deliver end-to-end solutions for web applications, utilizing Laravel, React, and Next.js.
- Implemented front-end features with React, Angular, and Alpine.js, improving user experience and application responsiveness.
- Integrated Strapi as a headless CMS for content management.
- Developed RESTful APIs for seamless data exchange between the frontend and backend, ensuring efficient communication.
- Managed project timelines and coordinated with cross-functional teams, ensuring timely delivery of projects while maintaining quality standards.

Associate Software Engineer , Axcito (Pvt) Ltd   **2022 July - 2023 July**

- Developed user interfaces for mobile applications using Flutter, ensuring a smooth and responsive experience across Android.
- Built and maintained frontend components using HTML, CSS, and Bootstrap, delivering responsive and user-friendly web applications.
- Managed data storage and retrieval using MySQL, optimizing queries for better performance and efficiency.
- Guided junior developers in best practices for front-end and back-end development, contributing to overall team growth and productivity.

Software Engineer Intern , Axcito (Pvt) Ltd   **2021 July - 2022 July**

- Assisted in building backend functionalities using Laravel, contributing to key features in web applications.
- Developed frontend components with HTML, CSS, and Bootstrap, ensuring responsive and modern UI designs.
- Worked with MySQL to manage databases, including writing queries for data retrieval and updates.

EDUCATION

BEng (Hons) Software Engineering with Industrial Placement   **2020 January - 2023 August**
University of Westminster (Informatics Institute of Technology)
Award Class: Lower Second Honours

General Certificate of Education Advanced Level   **2019**

Dharmasoka College, Ambalangoda

Physics - C , Chemistry - C , Physics -C , General IT - A

General Certificate of Education Ordinary Level   **2015**
Dharmasoka College, Ambalangoda

7 - A , 2- B

Certifications

- HubSpot CMS for Developers I – 2023
- HubSpot CMS for Developers II – 2023
- Information Technology – Certified – 2016
- Graphic Design – Certified – 2016

PROJECTS

Fanbaits| 2024
2024 │ Role - Full-stack Developer
Technologies - Laravel , Alpine Js

KudosTrack
2024 │ Role: Project Leader
https://kudostrack.com/
Technologies - Laravel , React JS

Rathnadvipa E-News Paper
2024 │ Role - Project Leader
https://e-paper.rathnadvipa.lk/
Technologies - Laravel

LogicalIncrements
2024 │ Role - Full-stack Developer
https://www.logicalincrements.com/
Technologies - Laravel , Angular

Bidder
2023 │ Role - Full-stack Developer
https://www.bidder.com.au/
Technologies - Laravel , Livewire

Healthguider | 2022/2023
https://www.healthguider.org/
Role - Full-stack Developer / Mobile Developer
Technologies - Laravel , Flutter

Advertisement Prediction System
2023 │ Role - Full-stack Developer
Technologies - HTML, CSS, JavaScript, Python,
Flask

Disease Detector System
2021 │ Role - Mobile Developer
Technologies - Flutter, Python, Flask

TECHNICAL SKILLS

Programming Languages

- Java, PHP, Python, Dart, JavaScript, HTML, CSS

Frameworks & Libraries

- Spring Boot, Laravel, .NET, CodeIgniter, React, Alpine JS, Flutter

Databases

- MySQL, Firebase, MongoDB

Tools & Technologies:

- Docker, Git, cPanel Deployments, Android

SOFT SKILLS

- Leadership and Team Management
- Problem-Solving and Critical Thinking
- Communication and Collaboration
- Time Management and Prioritization
- Adaptability and Flexibility
- Attention to Detail
- Mentorship and Coaching
- Agile Methodologies

LANGUAGE SKILLS

- Sinhala
- English
